

mountain comfort

Mount Rainier believes in sustainability.

To secure a healthy landscape for generations to come, we offer a “farm to fork” philosophy that promotes fresh, high quality foods from local farms. We buy local foods as the season permits, to bring you the freshest menu selections. All of our seafood comes from responsibly managed, local, sustainable sources.

did you know...

We care about the carbon "hoof print"!

We support natural quality meat with minimal processing, no added hormones or antibiotics, and using a sustainable and humane system.

We feature local wines and artisan crafted beers from Washington and Oregon. We are endeavoring to eliminate all bottled water products to reduce the impact of plastic waste to the environment. Nothing is better than Mount Rainier's natural resource of water from the tap.
