

## A WOODLAND SPA AT MT. RAINIER

54922 Kernahan Road Ashford, WA 98304 (360) 569-2514

Every year Wellspring is privileged to host about a dozen weddings and many, many retreats. Wellspring's simple beauty and down to earth spirit draws a wide circle of ceremonies. All faith traditions are welcome and comfortable here.

Wellspring is nestled in an enchanting ten acre forest sanctuary, far from the harried pace of modern life. We have a wide variety of meeting spaces, spa facilities and overnight accommodations, all of which are at your disposal as you craft your event. We trust you will find that the relaxed essence of Wellspring facilitates the creation of your personalized ceremony.

Wellspring can accommodate around 40 people overnight based on double occupancy. Many more are able, and welcome, to join you during the day for the festivities. In short, we are excited to work with you to bring your vision to life.

All guests of every Wellspring wedding are entitled to exclusive use of our cedar hot tubs and saunas.

We do not overlay any formula or obligations for the structure of your event. You are free to make use of the grounds in any form that you visualize.

You are welcome to use any caterer you would like, any musical group, and to organize the event, as you desire.

In addition, the wedding couple each receives a complimentary 1/2-hour massage.

If you've never been a Wellspring guest, we highly recommend that you come for a visit. We would love to show you around our property and help you picture your wedding here.

Many years from now, we are confident you will join others in remarking what a wonderful place Wellspring was to host your event. The magical light that shone around your guests, the beautiful flowers and trees, and that powerful mountain looking over you and your guests on the most special day ever.
